WORK EXPERIENCE

FREDFILMS

Development Manager | April 2021 - October 2025

- Developed, curated, and hosted inclusive community and industry events, engaging diverse audiences to support charitable causes and local creators.
- Directed logistics for large-scale events (100+ attendees), overseeing outreach, talent acquisition, volunteer coordination, partnership management, and budget to ensure smooth execution and strong community engagement.
- Organized and led group art events including drawing field trips and workshops to inspire creativity and foster collaboration within the local arts community.
- Managed a team of freelance readers, maintaining high-quality content reviews and feedback.
- Streamlined submissions process for 500+ projects, ensuring efficient prioritization and timely execution.
- Managed social media channels to promote diverse creators and event initiatives.

FREDERATOR

Development Intern | March 2020 - November 2020

- Managed incoming submissions, including maintaining a database of pitch material, assets, and creators.
- Evaluated IP and creators for potential development.

Production Intern | September 2019 - July 2020

- Wrote, edited, and fact-checked up to 5 scripts per week for 12-20 minute informational videos on FredNet Channels.

BABOON

Writing / Production Intern | August 2018 - January 2019

- Organized and formatted files on server.
- Designed and maintained database of artists and writers.
